

## *Animal Care Foundation*

IVS has set up the Animal Care Foundation (ACF) to provide care to patients that cannot afford treatment due to the financial constraints of their owners. This foundation helps pay for needed treatment to give pets the opportunity to return to normal healthy life when they may have otherwise been euthanized or left to live in pain from disease or injury. With support from animal lovers like you, IVS will be able to save the lives of many cats and dogs.

### **About the ACF:**

- Not-for-profit foundation
- Approved by the State of Iowa
- Supported solely by individual donors who want to help ensure dogs and cats get the care they desperately need

### **Donating to the foundation:**

- Your donations go directly to dogs and cats at IVS needing life-saving care
- The foundation funds are used under strict guidelines, directed by the doctors at IVS
- Your funds will have very real results, preventing the tragic loss of dogs and cats needing surgeries and emergency care

### **To make a gift or pledge donation:**

Please use our online donor option at [www.ivsdsm.com](http://www.ivsdsm.com) or send your gift to:

**The Animal Care Foundation**  
Iowa Veterinary Specialties  
6110 Creston Avenue  
Des Moines, Iowa 50321
